Attendance : You may miss as many as **five** days of class without penalty. Tardiness in excess of 10 minutes may be counted as an absence so you are advised to be on time.

Labs : I encourage you to work in groups on any lab but you are responsible for saying who you worked with and for being able to explain what you turn in to my satisfaction. Late labs may or may not be accepted so you would be wise to turn them in on time.

Exam(s) : You may use your notes on any exams but no other contact with other persons or the web is permitted, i.e. your performance on exams must reflect your work alone.

Project : You will be required to present a project during the regularly scheduled final exam period. You must credit any sources you may have used. Details on this to follow.
